

## Update on India-Pakistan Tension

Dear Participants,

Our senior team is closely monitoring the ongoing conflict and heightened tensions between India and Pakistan. While all train services are currently operational, we understand that some participants may have concerns regarding their travel and safety. We are here to provide clarity and support during this situation.

### Travel Route and Safety Measures:

- The current travel route to our camps will remain via **Pathankot**, as per the original itinerary.
- However, in the event of any security concerns or advisories, we are prepared to **divert the route via Jalandhar** to ensure the safety of all participants.
- All camps will continue to operate as per the planned itinerary, and necessary precautions will be in place throughout the journey.

### Options for Participants:

For those who may not feel comfortable traveling under the current circumstances, we are offering two options:

#### 1. Reschedule Your Camp:

- Participants can opt to reschedule their camp within the next 6 months by paying a nominal fee of 10% of the camp cost.
- This option allows flexibility in choosing a future date while retaining the camp experience.
- We are charging this amount to cover train ticket cancellation fees, forest entry fees, and operational expenses, which may be partially or fully non-refundable and non-recoverable.

#### 2. Cancellation Option:

- In response to this unforeseen situation, we have updated our cancellation policy.
- Participants choosing to cancel will receive an 80% refund of the camp fee, ensuring a fair and supportive resolution.
- We are charging this amount to cover train ticket cancellation fees, forest entry fees, and operational expenses, which may be partially or fully non-refundable and non-recoverable.

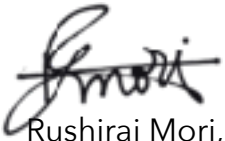

**Note:** Participants who wish to reschedule or cancel their camp can reach out to us via email at [info@invinciblengo.org](mailto:info@invinciblengo.org). Please note that these options are only available for those who registered for the camp on or before 6th May.

**Important Advisory:**

- We advise all participants to **stay informed only through verified updates from the Ministry of Defence and official government channels.**
- Avoid spreading or believing unverified information circulated through some social media platforms or news channels. Misinformation can create unnecessary panic and confusion.

For further inquiries or support, please reach out to our office team. We are committed to ensuring the safety and well-being of all participants while continuing to provide memorable experiences.
