About Matheran

Matheran, perched in the Western Ghats near Mumbai, is one of the few places in India where vehicles are banned, making it a peaceful, pollution-free escape. Known for its misty mountains, lush green trails, and the nostalgic charm of its toy train, Matheran is a true gem of Maharashtra.

Marvelous Matheran is more than just a trek-it's a chance to immerse yourself in nature's calm, wander through dense forests, and catch breathtaking views from iconic points like Panorama Point and Louisa Point. The cool, refreshing Sahyadri weather adds to the charm, making every step feel magical.
