About

KEDARKANTHA

Kedarkantha is one of the most popular winter treks of India.

It's an easy to moderate level trek which attracts visitors for its amazing snow-clad landscapes and a tall summit (12,500 ft), which offers majestic panoramic views from its top.

Those who love snow & mountains, this trek is undoubtedly the best choice for them.

The participants experience a greater sense of Happiness & Peace as they explore the destination and witness the art of the mother nature.
