About Mahabaleshwar

Nestled in the Western Ghats of Maharashtra, **Mahabaleshwar and Panchgani** are two enchanting hill stations known for their natural beauty and pleasant climate. Mahabaleshwar, with its scenic lakes and waterfalls, is a popular getaway for relaxation and adventure. Panchgani, perched at a higher altitude, offers breathtaking viewpoints and a peaceful atmosphere. Elevated viewpoints as the stage, silver waterfalls tumbling down like draped curtains, colourful little boats and forts like artistic props, the vast expanse of strawberry fields adding the dramatic effect, and finally the grand showstopper as 5 rivers converge in Mahabaleshwar.

Located just 19 kilometers apart, these twin hill stations are perfect for a combined trip, allowing you to experience the best of both worlds.
